* If you have more than one process please list them here:

A permit will be issued based on the details provided, to start on the nominated date. If necessary, we will contact you for more information. The permit will depend on you meeting the required permit conditions by the start date. Sydney Water will inspect the property soon after this. If the conditions have not been met, we will terminate the permit. By submitting this form, you confirm that the property owner is aware of this application. Sydney Water will forward any permit issued to the property owner.

Please tick to acknowledge that you have read and understand the requirements of this application.

To submit this application please save it and email to Sydney Water at businesscustomers@sydneywater.com.au or print and fax to **1300 364 403**.
